

POWER SHIFT

Synthetic Gear & Clutch Lubricant

Description

Power Shift is a special 100% synthetic gear oil for both two and four-stroke competition engines. It withstands ultrahigh shock loads under the most extreme racing conditions. It promotes easier and smoother gear changes and faster starting (no sticky clutch). It deadens the gear noise, protects all transmission components and extends the clutch basket life. Its viscosity is: ISO VG 68.

Quality level

API GL5, GL4, MT1

Available in

Carton of 24x1 L.
Barrels of 30, 60 and 208 L.

Application

Special 100% synthetic gear oil for both two and four-stroke competition engines .
