

SUPER TWO STROKE

2-Stroke Motorcycle Oil - Smokeless - Pre-mix & Injection Systems

Description

Super Two Stroke is a 2-stroke engine oil of which the chemistry will maintain the full power of two-stroke engines by preventing spark plug fouling and carbon deposits even under the most severe operating conditions.

The oil is tinted red for easier identification of treated fuel and is also premixed.

It can be used in both oil injection and pre-mix systems and meets the requirements of all two-stroke manufacturers.

Mixture ratio as specified by the manufacturer up to a maximum of 50:1.
